## **QUOTE OF THE DAY**

"The measure of who we are is what we do with what we have." – Vince Lombardi

"The world is wide; no two days are alike, nor even two hours; neither were there ever two leaves of a tree alike since the creation of the world; and the genuine productions of art, like those of nature, are all distinct from one another." – John Constable

"You can't copy anybody and end with anything. If you copy, it means you're working without any real feeling. No two people on earth are alike, and it's got to be that way in music or it isn't music." – Billie Holiday

"The good writing of any age has always been the product of someone's neurosis, and we'd have a mighty dull literature if all the writers that came along were a bunch of happy chuckleheads." – William Styron

"Every time I close the door on reality it comes in through the windows." – Jennifer Yane

"My fake plants died because I did not pretend to water them." – Mitch Hedberg
